Manager's Musings...

I hope Christmas was enjoyable for everyone and you got what you wanted under the tree. A shorter newsletter this week given the holiday season distractions, however green fee players have been out in force and it's been a busy week in the office this far. Great to see the regular Saturday, Ladies, Vets and 9-hole club days supported! Have a happy New Year celebration with friends and family and here's looking forward to a fantastic 2017.
