Manager's Musings...

The phone is running hot like the weather and people are coming out to play – it's holiday season! Grab yourself an ice cold drink from the shop before you head out, slap on the sunscreen and a hat for shade! Please remember our discounted guest rates for green fees players and invite a friend or family member out for a round... A cold beer or wine at the end of a round doesn't touch sides in this heat but we're here if you want another!

Avocado Heaven

Another big thankyou to the Neeley's for the lovely avocados that keep appearing in the clubhouse foyer!

Year Book 2017 -REMINDER

Feel free to pick up your copy of the latest **Omokoroa Year Book 2017** from the office!

The Green Shed

You will probably have noticed that the tee sign boards are being removed one by one and will be reappearing in a greatly improved condition. These signs have been in place for over 30 years, so they were definitely in need of a bit of attention. We are very grateful to Swampy who has undertaken to refurbish all of these signs on our behalf and he is doing a great job. A few of the copper post tops have gone missing over the years and need to be replaced. If any of our longer standing members know where these items were purchased from can you please give Swampy a call and let him know - 576 1595 or email... joshmar@xtra.co.nz

Many thanks to the hard working men - Brian, Hap, Ed, Rod and Frank - who trimmed all of the hedges this week and helped to smarten the course in preparation for the Omokoroa Open this weekend. It is only when you start trying to trim the tops of the hedges that you realise just how big they all are!! Well done guys.

Jonathan

Captain's Corner

This week we have the Omokoroa Open on over the weekend and there are still a few spots available if you wish to play. For those not involved in the tournament the course will be available for casual play up until 8.30am on Saturday and after 2.00pm on Sunday. Put a note in your diary for the Club Opening day which will be held on Sunday 5th February 2017 and will be a Drawn Ambrose Format with a couple of other activities thrown in - more details next week. Happy golfing

Cheers Mark

Regular Features
